WARNS WPA WORKERS TO KEEP JOBS

Work Projects Stop,
Relief Only Obtainable
from State-Community.

In a bulletin mailed last week, every man upon a WPA project is warned to keep his WPA job, even if he does not enjoy it. Otherwise, there will be no Governmental relief for him or his family.

"The purpose," states Robert J. Dunham, "is to make clear to these workers formerly on relief, the benefits accruing to them from their WPA employment and to counteract subversive, radical and un-American influences which are endeavoring to cause dissatisfaction among the workers and to halt the public projects.

"Congress has provided the WPA program to replace any relief from federal funds. If the work program is stopped, it will be necessary to provide relief for those thus thrown out of employment from whatever state or local funds, public or private, may be made available."

The bulletin reads as follows:

What Your WPA Job Means
To You

Read and consider before you give it up for anything but a regular job.

For several years it has been hard to find a job.

You now have a job that some people would have you quit.

The government gave you this job for the benefit of yourself and family; to make you independent of relief.

The work you have been assigned to may not be all you would like or entirely in line with your experience and capacity.

It is, however, giving you the chance to become active and fit as a worker once more and thus increase your chances of obtaining a better job in private employment.

You do not lose pay for idle days due to bad weather or other causes, but only when you fail to report for work.

At the bad winter weather ahead, your "Security Wage" is surer and probably higher than broken time at an hourly wage.

A thirty-hour week is established on all WPA work throughout Illinois. You are free to earn money on your spare time. This does not hurt your WPA job at all.

Safe working conditions are provided through constant safety inspections, removing all hazards as far as possible.

If accidents happen, however, every worker is protected under United States compensation laws and is entitled to immediate medical attention as well as compensation payments. The families of workers are also protected by the same laws.

Relief funds are no longer available for families of able-bodied workers who refuse WPA employment.

Remember, the government wants to help you. It pays you a steady wage, unless you fail to report for work. It is against the law for anyone to pay you for time on refuse to work. Don't expect it.

Think twice before you quit your steady WPA job, unless you have found a regular job in business or industry.

Keep your job! Don't let anyone take away the security it gives you and yours.

Supt. N. J. Puffer Eats Dinner With President Roosevelt

N. J. Puffer, superintendent of schools, and Mrs. Puffer were among the guests at the Saddle and Siroin club at the stockyards Monday noon when Mayor Kelly was host to President Roosevelt. The dinner numbered only three hundred and included the more prominent men and women of the city and county.

Others Attend Meeting
There were a few residents of Arlington Heights who were able to secure tickets for the meeting addressed by the President. Among them were: Mayor Flentje, Wm. Meyer, Walter Krause, J. D. Allison, John Sayers, Clara Maede, Mr. and Mrs. O. G. Barrett, Mr. and Mrs. Homer J. Byrd, Mr. and Mrs. C. H. Mills.

Among those from Palatine to attend were S. R. Paddock, T. C. Hart, Miss Hackbarth, accompanying Frances Schroeder and Louise Wentz.

St. John's Young People To Present Xmas Play Next Week, Dec. 19, 20

The League of St. John's church, Arlington Heights, will present a beautiful Christmas play entitled "The Winning of Joy" consisting of 3 acts, many laughs and some entertainment. Tickets will not be for sale. Invitations will be sent to the members and friends of the church. They and their friends will be invited to attend with their children. Admission will be free. An offering will be received to cover the expenses.

The Cast

Uncle Joe—Embert Scharringhausen.
Dave—Harry Helfers, Jr.
Kate—Lorraine Koelling.
Joy—Louise Hahnfeldt.
Bill—Wallace Oselein.
Ma Vernon—Francis Samulovitch.
Pa Vernon—Find out.

Mrs. Sime—Evelyn Helfers.
Hettie—Ruth Sebastian.
Rev. Barker—Cecil Meyer.
Assistants—Kenneth Koelling.

Relief funds are no longer available for families of able-bodied workers who refuse WPA employment.

Remember, the government wants to help you. It pays you a steady wage, unless you fail to report for work. It is against the law for anyone to pay you for time on refuse to work. Don't expect it.

Think twice before you quit your steady WPA job, unless you have found a regular job in business or industry.

Keep your job! Don't let anyone take away the security it gives you and yours.

POISON LIQUOR CAUSE DEATH OF THREE

Members of Hobo Camp in
Niles Center Victims of
Canned Heat.

Three unidentified men and one with army discharge papers, found to be Alex Kazak, about 45 years old, of 4328 S. Maplewood avenue, died at 1:10 p. m. as a result of consuming poisoned liquor and "Canned Heat."

These men were inhabitants of a Hobo Camp located on the east bank of the Sanitary District canal about 400 feet north of Oakton street, Niles Center. Two of the bodies were removed to Haben's parlors in Niles Center and the third was taken to the Cook county morgue.

Sheriff's Highway Police notified Chief Breck of the Sanitary District and together they set fire to numerous unsanitary shacks and completely razed the hobo camp.

The unidentified men are about 50 years old. Several hoboes are being held as material witnesses.

Students and Teachers Have 2 Weeks Vacation At Christmas Time

Both the high school and the elementary school will be closed for two weeks for the Christmas and New Year's vacation. School will end Friday, Dec. 20 and will reopen January 6.

St. John's Church Favors Improvements To Cost \$1250

Last Monday night the official board met for a special meeting called by President Baumgartner. The board was in favor of repairing the church roof, painting the parsonage and renovating the church interior by painting and remodeling the altar and the walls, ceiling and woodwork—and by installing large comfortable new pews. The total cost of the project amounting to approximately \$1,250.00.

The board considered asking the Ladies' Aid society to loan the church \$1,000.00 on a 2½% rate, over a ten year period. Next Sunday the congregation will have a special meeting which will give everybody an opportunity to discuss this project and possibly vote on it.

During the year 1935 the church has spent over \$300.00 for painting, plumbing and tinning. The church raised over \$300.00 during 1935 for the above mentioned improvements. St. John's church believes in progress even in these times.

A Christmas Gift Suggestion AND HOW—

The Traffic Division of the local police department comes forward with a suggestion for a very practical Christmas present. Namely the new 1936 Village Vehicle Tax Emblem now on sale at the Collector's Office in the Village Hall.

Trustee Schneberger, council head of the police department, now convalescing from a siege of pneumonia, and rumors of worse, calls attention to the 25% reduction over previous years prices available to motorists who buy their vehicle tags early. This years prices until April 30th, 1936, are as follows:

Class A—35 H. P. and Over	\$3.75
Class B—25 H. P. and over, but less than 35 H. P.	\$3.00
Class C—Under 25 H. P.	\$2.25
Motorcycles	\$1.50
XX Trucks—Over 1 ton	\$4.50
X Trucks—Under 1 ton	\$3.00

Present your State Registration Card when applying for Village License.

Homer J. Byrd Speaker At Flag Dedication of Grove School, District 32

The new United States flag, donated by Merle Guild Post No. 208 of the American Legion was dedicated Sunday afternoon in a special program held at the Grove school, District 32, on Milwaukee Avenue, near Glenview road. Homer J. Byrd, state director of education and who was intimately connected with the school in past years, gave the dedicatory address.

Short remarks were made by S. E. Baker, assistant county superintendent, and Otto Engelking, president of the board of directors. Walter Kennicott, whose family has attended the school for four generations and whose forefather donated the ground upon which the school stands also spoke.

National hymns were sung by the audience, with Roscoe Reed at the piano. The drum and bugle corps gave two numbers, participating in raising and lowering of the colors. Miss Henrietta Klehn, teacher of the school gave the following history: "Due to the Chicago fire the records and deeds of the Grove school, district 32, Milwaukee Ave. and Glenview Road were destroyed. However, the property was donated by Jonathan Kennicott nearly 100 years ago. The building is the same with but slight alterations such as the remodeling of the entrance which has changed from the east side to the south side. The Parent-Teachers association, board of directors and members of the community put in many improvements such as electricity, water, supplies, painting, flag pole, etc."

"One of the first teachers of the school was Miss Rola Adella Kennicott, later Mr. Anasa Kennicott, father of Ransom, Walter and Harrison. There were four generations of Kennicotts who attended this school."

"Mr. Otto Engelking presented to the school over 8 years ago a flag which was used up to Saturday, Dec. 7th, 1935. His father, John Philip Engelking was a member of the board of directors for 27 years. Geo. Klehn of Arlington Heights donated the trees, shrubs and evergreens which were planted this fall by Mr. Otto Engelking, Mr. Suydam and Mr. Wagenaar."

Alderman Schneberger is very much alive in spite of the fact that last Sunday some sorrowing friends came to his house expecting to pay their last respects. Instead they found a very much alive alderman, who admits having been ill, so much so that a nurse was needed, but he does not want his friends to start buying him flowers just yet, although he is a little impulsive about the kind of an obituary that the editor already had in type.

PARK BOARD ELECTION IS TODAY

Park Facilities for Entire
Town Depends Upon
Result of Vote.

The park annexation election is today—Thursday. There are two districts and two polling places. Those who reside within the present boundaries of the district will cast their votes in the village hall. All others will vote at the Elliott service station, corner of Northwest highway and Dryden place. The proposition must be carried in both districts in order to make the annexation effective.

This election is called in response to a petition circulated and presented to County Judge Jarecki asking that the boundaries of the district be enlarged so as to coincide with the boundaries of the village itself. All persons signing said petition were residents outside of said park district. The election has been called by the county judge as provided in the statutes.

This election is the outgrowth of a meeting held several months ago when residents of Stonegate and Searsville asked that such action be taken in order that residents of the village but residing without the park district, should be entitled to all park privileges.

Ready Sale of Xmas Seals in Arlington Hts.

Christmas Seal contributions are being received daily in response to the 350 letters sent out in Arlington Heights by a committee of the Arlington Heights Public Health committee.

The returns so far include the sale of nine \$5.00 Health Bonds. Other contributions range from five cents to two dollars, totaling \$145 to date. It is interesting to note that with some contributions doubled and others cut in half or entirely omitted the returns are equaling those of last year within a few pennies.

Less than one third of the letters have been turned in thus far and the committee urges you to be as prompt as possible in making your return.

Santa Claus To Meet Kiddies

The kiddies of Wheeling township, between the ages of two to 12 years, will have the opportunity Monday, Dec. 23, to meet Santa Claus at the Regular Democratic Headquarters, 7 West Davis street when each and every child, who is accompanied by a parent, will receive a gift from Santa. There will be a tree and all of the decorations.

P. T. A. To Hold Christmas Program Tuesday, Dec. 17th

The Christmas meeting of the P. T. A. will be held at the South school Tuesday evening at 8 o'clock, December 17. The Christmas spirit is manifested by the topic of the evening which is "Christmas in Other Lands."

Christmas in five countries will be described. Vitalizing each story will be a costume representative of that country. Each representative will appear as a living picture. After the meeting refreshments, styled after the cuisine of the countries just told about, will be served.

Dishes left at the pot luck supper at Mrs. Schmitz last September may be claimed at this meeting.

SCHOOL TREAS. GET CHECKS FROM PUFFER

Payments from Distributive Fund, Second Time Since October.

Noble J. Puffer, county superintendent of schools, realizing the needs of the various schools of the county recently made a trip to Springfield in their behalf, which resulted this week, in the distribution by Supt. Puffer, to all school treasurers of the county payments from the state distributive fund. This money comes from the sales tax and our county superintendent will distribute the funds as fast as he receives them. Formerly they were paid only in the spring, but this is the second payment made by Mr. Puffer since assuming office in August. The amounts paid to the townships in the northwestern part of Cook county are:

Palatine, F. H. Oldendorff	\$ 941.94
Barrington, C. F. Plagge	1,207.05
Hanover, A. F. Pottratz	530.25

A CORRECTION

The item in last week's Herald regarding the postage rates on Christmas cards was misleading. A sealed envelope for local delivery must have a two cent stamp. An unsealed envelope with no personal message upon the inside, except signature to greeting card, can be sent anywhere in the United States for 1½ cents.

Social Events

The St. Celia choir of St. James church celebrated their fifth anniversary with a turkey dinner and all the appetizing accompaniments Sunday, Nov. 24, at Glueckert's highway restaurant. It was indeed a happy Thanksgiving occasion. To add to the joy of the assembly former pastor, Father Wagner and Father Stier were with them. An interesting event that certainly has a right to space among "Social Events" is the first serving of warm luncheons to the school children which took place in the north side grades, Thursday, December 10. The movement is sponsored by the P. T. A. society and the Ever Ready group, are cooperating in the good work.

The Friendly class held their regular meeting Tuesday afternoon in their room in the Presbyterian church. They will be sure to find many avenues through which to press the friendly Christmas spirit.

Scharringhausen-Kosnanoff
Miss Alvin, youngest daughter of Mr. Herman Scharringhausen of Elk Grove and Mr. Thomas Kosnanoff of Bensenville, were married Sunday, December 8 in the home of the bridegroom's godfather, in Evanston. After a generous home wedding supper, the newly wedded pair, came to their new home in the Krause apartment.

Schulenberg-Leth
Miss Bernice Schulenburg and Mr. Frank Leth were united in marriage Saturday, December 7, at 7 o'clock in St. Peter's Lutheran church, Rev. H. C. Frikke solemnizing the sacred marriage rites. The wedding party entered the church to the strains of the wedding march played by Teacher Kolb. The bride was escorted to the altar by her brother, Mr. Marvin Schulenburg, who gave her hand in marriage to the bridegroom who, with his best man, Mr. Percy Hertel, were waiting at the altar. The bride was attended by her sister, Miss Esther Schulenburg. The bridesmaids were Miss Gertrude Molner, Miss Josephine Parker, Gertrude Weinrich and Mrs. Winkelman.

The bride and bridesmaids were gowned in differing shades of brown fabric from the bride's shimmering silver satin. The bridesmaids wore chrysanthemums and "Poms" in shades of yellow. Following the ceremony the bride and guests assembled in the home of the bride's parents, Mr. and Mrs. August Schulenburg on South Evergreen avenue, where a generous dinner was served and a social hour enjoyed. The bride has lived her life so far in this village. The bridegroom is a mechanical engineer and is also well known here. Their future home will be in the upper apartment of her parent's home, where their hosts of friends wish them all the best things in life.

The out of town guests were the bridegroom's mother, Mrs. Leth of Chicago and his sister, Mrs. Orville Kuehn of Des Moines, Iowa. Mrs. Irene Becker of Barrington, Mrs. A. Willie of Des Plaines, Mr. Brezeman from Chicago, Mr. Robert Briggs and Mr. John Devaroux from Clinton, Iowa.

Camp Fire Girls

Are raising funds for membership dues. One group, under the leadership of Mrs. Foreman, held a candy sale at the Woman's club rummage sale. Others of the Camp Fire Girls, are preparing for a sale of useful and inexpensive gifts. This sale will be held December 17, at the P. T. A. meeting. Come prepared to a little Christmas shopping at this meeting.

CHRISTIAN SCIENCE CHURCHES

"God the Only Cause and Creator" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, December 8.

The Golden Text was, "The Lord reigneth, he is clothed with majesty; the Lord is clothed with strength, wherewith he hath girded himself: the world also is established, that it cannot be moved" (Psalms 93:1).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Lord, thou hast been our dwelling place in all generations. Before the mountains were brought forth, or ever thou hadst formed the earth and the world, even from everlasting to everlasting, thou art God" (Psalms 90:1, 2).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "To grasp the reality and order of being in its Science, you must begin by reckoning God as the divine Principle of all that really is" (p. 275).

Comrade Kramer again spoke and really I don't know who was the most interested in his talk—the boys or their Dad's who were there. Jack Schvolow found it especially interesting as he was in the same outfit that Max was with.

In addition to the instruction in boxing Jack Rosch brought out a number of glider planes and when the boys were not boxing the planes were flying through the air.

Comrade Kramer again spoke and really I don't know who was the most interested in his talk—the boys or their Dad's who were there. Jack Schvolow found it especially interesting as he was in the same outfit that Max was with.

Comrade Kramer again spoke and really I don't know who was the most interested in his talk—the boys or their Dad's who were there. Jack Schvolow found it especially interesting as he was in the same outfit that Max was with.

In addition to the instruction in boxing Jack Rosch brought out a number of glider planes and when the boys were not boxing the planes were flying through the air.

Pure Milk Cancellations Benefits Loyal Members by Reducing Excess Milk

Declaring that the Pure Milk Association today is in a stronger position than it has ever been before, President John P. Case stated that only 1,782 members left the Association during the cancellation period which expired December 1.

In Case's statement following an exhaustive survey of the association's strength, and refigures showing the great majority of the milk producers in Chicago milk shed again de themselves in favor of the milk Association.

"I am convinced," declared Case in commenting on cancellations, "that the is now entering a more constructive and more economically era than has ever before been experienced by the organization."

He cited the following points as a basis for his assertions:

1. The cancellation period eliminated the chief trouble-makers from the organization, many of whom have fomented dissension in the Pure Milk Association for the past six years.

2. The cancellation of the 1,782 members removed a substantial percentage of the surplus milk that has heretofore been born by the Association.

3. The Association has a long term contract with distributors to which they sell their milk. The remaining members of the PMA will benefit because they will receive a better price for their milk than had the 1,782 members remained within the PMA.

The full strength of the Pure Milk Association is now 14,763 active members, of this number 7,544 are in Illinois, 3,705 in Indiana, and 3,514 in Wisconsin. Previous to the cancellation period, there were 16,667 active members. 124 members were cancelled out for

usual cancellation reasons such as moving to other states, selling their farms, etc.

During the October milk disturbances, an Association check-up showed that 2,484 members had withheld their milk. Of this number, there were 1,459 who had been definitely identified as strikers. The slight effect of the strike is shown by the fact that only a few hundred producers scattered over the milk shed joined the identified trouble-makers in leaving the organization.

In elaborating why 1,782 members were cancelled out of the Pure Milk Association, President John P. Case today explained that of this number 488 members were cancelled out by the Association. Only 1,294 were cancelled out at their own request.

The cancellations were concentrated mainly in Districts 6 and 9, Kane and McHenry counties in Illinois, where the main struggles in the strike were staged. The 1,782 producers represent about 12 per cent of the organization, while the amount of milk they had as established base represented about 16 1/2 per cent.

Normally the Pure Milk Association delivers about 3,500,000 pounds of milk daily, depending upon the season, while the daily established bases of the Association members totals approximately 4,500,000 daily. The amount of milk represented by the cancellations was about 618,911 pounds of established daily base, which leaves about 3,887,400 pounds of established daily base on the Association records still leaving a surplus amount in normal times.

Approximately 2,200,000 pounds to 2,500,000 pounds of milk is used in bottle form for fluid consumption.

"In view of the fact that we are already receiving requests from

members to be reinstated in the "we may conclude that many of the members who canceled out are realizing that they have been misled into leaving the organization by economically unsound agitators."

Republicans Endorse Congressman Church For Renomination

Ralph E. Church, only Republican congressman from Cook county (whose district also includes Lake county) was unanimously endorsed for renomination Friday, December 6, by all of the committeemen that make up the Cook County Republican County Central committee of the Tenth Congressional district which he represents.

The action was taken by the entire membership of the Republican County Central committee of wards 41, 43-50, inclusive, and the townships of Evanston, New Trier, Niles, and Northfield, and marks the first endorsement of a Republican candidate for Congress by the county committee.

Never Missed Roll Call

In the resolution adopted by the committeemen, Congressman Church's militant record in Washington was cited, as well as the fact that he never missed one roll call during his term. The resolution pointed out that fighting Republicans are needed in the congress rather than "rubber stamps."

Painting of Church In Plum Grove Forms Magazine Frontispiece

The cover design on the December issue of Successful Farming is a painting by Arthur Bade, of Des Plaines, the likeness being reported to be the Plum Grove church. It is a night scene of the church, supposedly at the Christmas season, and is printed in colors, similar to the original painting.

John M. Smyth's Gift Corner

This picture of John M. Smyth's "Gift Corner" in their Evanston Store, gives some idea of the care that has been taken to provide the most exacting buyer with a wide selection of gifts for the most formidable relative, the friends who have everything or the best loved servant. This gift corner is truly a real inspiration in keeping with the spirit of Christmas.

The shelves sparkle with crystal and glass things that fit any furnishing scheme from early American to ultra modern. Quaint pressed glass objects that are both ornamental and useful such as ashtrays, copotes, vases, etc. Other pieces in cobalt blue, ruby and topaz. In fact the shelves of pottery, accessories, especially the assortment of modern vases in all the pastel shades, rival the glass collection in interest and beauty.

In contrast is some gay painted wooden ware from California, bowls for popcorn, nuts and apples, larger bowls with matching fork and spoon for mixing salads. Of unusual interest is the folding serving trays with legs that snap down into place thus converting into a cocktail table. The legs fold back so that the tray may be stored away in a very little space. Another striking feature of the Gift Corner is the assortment of pictures, boxed in pairs or singly. Etchings, prints, botanicals, early American subjects, also many modern, making charming gifts for the modern pocket-book.

Most attractive to men, is a group of smoker's accessories, substantial metal floor smokers, large convenient ash trays in many practical finishes. Smart metal line of metal accessories in chrome, brass, copper and combinations of color. Book-ends, relish dishes, trays, cigarette boxes and other useful items are individually packed.

The shelves are packed with lovely and useful things. All the "tremendous trifles" that transform a

SCENE IN SMYTH'S EVANSTON STORE

room that is merely furnished into here to make some one excitingly range is wide but always reason-and brouse about the entire store a place that is fun to live in, arehappy this Christmas. The priceable. You are invited to come in without a salesman.

ADVANCEMENT HONORS IS BIG SCOUT DRIVE

Goal in Scoutcraft Must Be Reached by End of This Year.

Boy Scouts throughout the Northwest Suburban Council are making a strenuous effort in this final month of the year to complete the necessary requirements for advancement in order that their troops might qualify on this important point of the Honor Rating program. One of the major items necessary to qualify a troop for an honor rating is that it must advance at least 75% of its Scouts during the year. Although no troops have as yet reached this figure, many are within striking distance and expect to qualify within a few weeks. Figures released at the end of the third quarter showed that troop 6 sponsored by the Lions club of Des Plaines had a 65% advancement, troop 17 of St. Lukes Church of Park Ridge a 62% with other troops varying from nothing to 50%.

Plan Boards of Review and Courts of Honor

In order to provide the maximum time for Scouts to qualify the Court of Honor committee has arranged a series of final Boards of Review and Courts of Honor. Reviewing Boards are planned as follows: Park Ridge, Friday, Dec. 20 at the City Hall; Niles Township the same evening at the Lincoln school in Niles Center; Arlington Heights on Monday, Dec. 30, at the high school; Barrington the same evening at the Boy Scout Cabin and Des Plaines also the same evening at the Junior high school. Courts of Honor have also been planned for Niles township and Park Ridge on Friday evening, December 27, the Niles Township Court will be held at the village hall and the Park Ridge court has yet to be arranged. The committee in charge of this important part of the council's work are: Chas. Passmore, chairman of Court of Honor, Alex. Wagner, Park Ridge, chairman, E. R. Selleck, chairman of Court of Honor and P. R. Harshbarger, chairman of Board of Review, both of Des Plaines; W. C. Miles, Arlington Heights; M. C. Ohlson, E. A. Aleckson and Paul Stoker of Niles Center, Rev. H. L. Eagle and A. R. Chapel of Barrington.

Scout Folks Enjoy Christmas Party Des Plaines Church

Approximately two hundred Scouters and their ladies enjoyed a festive and inspirational occasion at the Annual Christmas party in the community hall of the Des Plaines Congregational church, Wednesday evening. Following a dinner, Rev. O. F. Jordan, pastor of the Community church of Park Ridge, gave a brief but refreshing address. The theme of his talk was based upon the valuable service being rendered to our community, state and nation by those who are active in leadership and administrative positions of Scouting and other similar youth movements and also those who make these programs possible by their financial support, the members of the Scouting club, many of whom were in attendance. In the absence of President T. M. Whitson of the Scouting club, Mr. Clifford C. Gregg, president of the council, spoke briefly to the members of the Scouting club present.

Many Receive Certificates
Following the talk by Dr. Jordan the entire group enjoyed a period of fun and merriment under the skillful leadership of Einar J. Anderson, Field Scout commissioner. Training certificates were then presented to those having completed one of the various courses at the

Elmer Busse is the new driver for the Wolf Coal Company.

Mrs. A. Beigel and children spent last week at the home of her sister, Mrs. A. Larson, in Gary, Indiana.

Recent University of Scouting. Presentations were made by leaders of the courses who were: Mr. Anderson, Elements of Scoutmastership; A. J. Beckmann, American Red Cross First Aid; Clifford C. Gregg, the What Is Scouting Course; E. K. Zitzewitz and Edw. H. Stehman, Senior Scouting and Walter Floerke, Cubbing.

Following this ceremony the group enjoyed singing of Christmas Carols and were surprised at the sudden arrival of Santa Claus who had miniature gifts for all present. The program was under the direction of the Leadership training committee of which J. O. Carr is chairman. Mr. Carr acted as master of ceremonies of the evening. Other members of the committee are: Guy Stephens, W. J. Imig, Roy Villmering and A. R. Crawford.

IF YOU HAVE
Broken, discarded or toys that are not in use that you would like to have placed in the hands of children not likely to receive any this Christmas, phone 557-W, and the Boy Scouts will pick them up, clean and repair them and see that they are adequately distributed.

Mrs. E. Hauptly entertained her birthday club at a bridge luncheon Tuesday, Dec. 10.

The Achievement club of the Mt. Prospect public school composed of the fifth, sixth, seventh, and eighth grades, will present an operetta next Thursday night, December 19, at the Lutheran school auditorium at 8 p. m.

There will also be a program by the lower grades.

The Mount Prospect P. T. A. had

a nice treat in store for its members at the last regular meeting, Thursday evening, Dec. 5. Mr. Rex Volz, of Arlington Heights, spoke eloquently on "New Horizons in Education," to a large number of parents.

The set of Compton's Encyclopedia, which the P. T. A. purchased in November is now in use in the sixth grade; also the 18 volumes of World Books, which the School Board, and the P. T. A. purchased jointly, were delivered to the school Monday of this week.

Miss Crisswell's room won first prize for largest attendance and Miss Bloom's room second.

The evening closed with a social

V. F. W. Auxiliary News

The Ladies Auxiliary to Prospect Post No. 1337, Veterans of Foreign Wars will have a bakery sale on Saturday, Dec. 21. For special orders call the president, Mrs. G. Seibel, or leave orders with the executive chairman, Mrs. Arthur Flesch, bread, cakes, cookies, coffee cakes, doughnuts, cup cakes, scones, rosette, potato salad, will make up part of the list to be on sale.

The Auxiliary has requested the party taking the tin boxes of dishes recently purchased by the ladies, to return same to clubhouse, for if this is not done, (and this is being very lenient), we will be compelled to take legal action. It is just to keep from making public the name of party under suspicion that this last chance of making restitution is given.

The V. F. W. Post and Auxiliary Christmas party will be held on Monday evening, Dec. 23, at 7:30 sharp at the V. F. W. hall.

DOZENS OF OTHERS!

PUBLIC SERVICE COMPANY OF NORTHERN ILLINOIS

BARRINGTON, ILL.

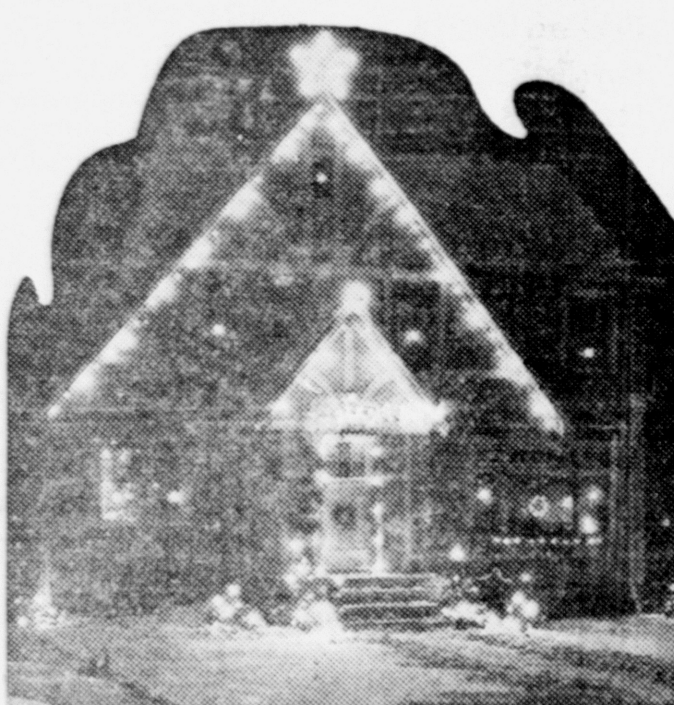

After Dec. 21 this Store will be open evenings, until 9:00 P. M. until Christmas

Here's How to Decorate with Christmas Lights

Making the home a shining example of holiday good-will by attractive Christmas lighting decorations has become "just an old American custom". Here are some practical illustrations of what can be done.

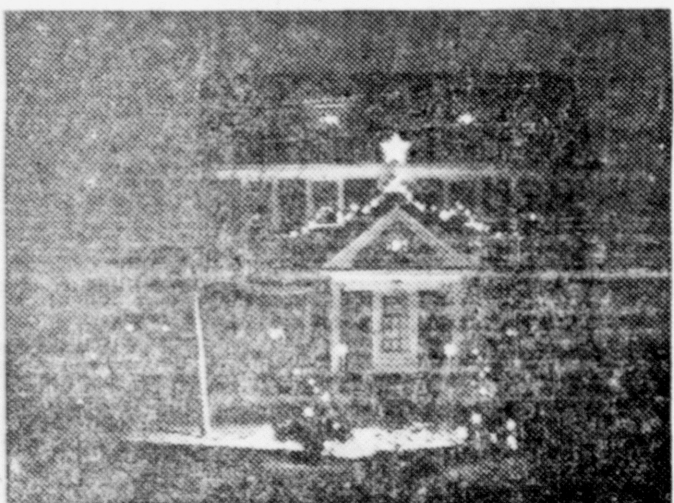

The owner of this home used cleverly placed floodlights and silhouette cutouts of Christmas figures, supplemented by beautifully trimmed evergreens at the entrance.

This picture shows how festoons of lights can be used to emphasize the important lines of the house. Indoor decorations in or near the windows add interest.

An ingenious effect is produced by the shadow of a small cutout tree cast by a lamp placed behind it. Colored lamps in the doorway lanterns and colored paper in the upper windows add to the trim, festive appearance.

Candle forms at the entrance can be made of painted tubes of tin or cardboard and a flame-colored lamp. In addition, homes like this with light toned trim are made distinctive with simple floodlighting.

Arlington Heights Bowling News

On Saturday and Sunday a handicap singles tournament was held. This was based on 2/3 the difference between your average and 200.

A total of 140 entries, one of the largest ever held in this territory bowled in the tournament. The following scores were shot together with the prize list.

C. Trost, Arl. Hts.	681	\$26.78
A. Meyer, Arl. Hts.	681	26.77
G. Hahn, Waukegan	662	17.85
R. Bolte, Arl. Hts.	650	11.90
C. Funk, Mt. Prospect	648	9.52

Termite Builds Tunnels
The termite enters a building from nests in the ground and builds tunnels extending up to sills, joists, floors and interior trim. Here the pest sets to work eating its way through the wood, weakening the timber until it is a dangerous and uninhabitable building beyond repair.

Quality First . . .
Grave vaults. Absolute protection against water and earth.

"Split-second action every time"

says...THE ENGINEER IN EVERY GALLON

GET THIS GASOLINE THAT GIVES Lubricated Starting

THERE is now available at every Tydol pump a new winter gasoline that actually oils its way into split-second starting. The cold-proof top-cylinder oil contained in Tydol Gasoline instantly eases cold-stiff, oil-dry valves and pistons into quicker, surer, safer action. You get a faster lubricated start. A new kind of start that ends excess battery drain and motor wear. Buy Tydol today... the gasoline that gives extra winter lubrication... at no extra cost!

Joe E. Brown in "Bright Lights" Des Plaines Sun.

Joe E. Brown, the funnello-mouthed comedian, comes to the Des Plaines theatre Sunday for a three day run, in what is heralded as his most uproarious comedy romance. In addition to Joe's laugh-provoking stunts, there are four lively songs, for the picture is one of back stage life and the singing comes in naturally. Joe E., himself, sings and dances and does acrobatic stunts with the famous Mayellos. Scores of pretty chorus and dancing girls appear in the theatrical sequences but "Bright Lights" is neither a musical or a farce, but a stirring romantic comedy.

The story concerns Joe E.'s quick jump from a burlesque comedy troupe to a big Broadway actor, playing with a madcap heiress, Patricia Ellis, out for adventure. His wife and partner in the burlesque show, Ann Dvorak, is out of it and goes back to small time. Joe's head swells which causes many complications which lead to a unique and amazing climax. Brown himself started his theatrical life as a comedian in a burlesque show, and the burlesque sequences are made the more natural by the use of an entire troupe which was playing in Los Angeles when "Bright Lights" was being filmed.

On the same program with "Bright Lights" the latest issue of "March of Time" is presented. Low admission prices prevail at the beautiful new Des Plaines theatre; 25c all day Sunday, and 15c from 6:00 to 6:30 p. m. on week days.

WHEELING
The Wheeling Volunteer Fire department will hold their annual dance on New Years Eve at the Hartmann House. Tickets are on sale at \$1.00 a person.

Miss Florence Reeb is away on a six weeks trip to California. Miss Alene Pfeiffer of Chicago is taking her place at the real estate office.

Little Peggy Kruse suffered the misfortune of a fractured collar bone from a fall a week ago. The break apparently is mending nicely, but she will have to miss several more weeks of classes at school.

Seventh and eighth grade pupils and a group of adults, about 40 persons all told, motored to North Chicago last Thursday where they spent an interesting afternoon in visiting the Abbott laboratories.

Dr. Henry A. Benz, who for many years, served Wheeling and surrounding communities as family doctor, passed away in a hospital on Sunday. Dr. Benz retired from active practice because of failing health when he left Wheeling. Recently he made his home with his son, Oscar, in Deerfield.

Mr. Emil Korhammer left on Tuesday for his home in Augsburg, Germany, to spend the winter months.

A GIFT FOR YOUR HOME is a gift the whole family can enjoy

6 OUTSTANDING GIFTS THAT INCREASE HOME COMFORT AND CONVENIENCE

MODERN GAS RANGE

Something every woman dreams of having. The latest types, now on display, offer many new developments that make all cooking and baking easier, quicker, and more pleasant. Results are more certain. Better insulation keeps heat out of the kitchen.

MODERN LAUNDRY EQUIPMENT

Shortens washday, saves money, and makes home laundering easier than ever. You'll see the difference in the appearance and longer life of your clothes when they are laundered at home with a modern washing machine and ironed beautifully with a labor-saving ironer.

AUTOMATIC REFRIGERATION

A gift that eventually pays for itself. Saves money, protects family health, is a source of great convenience and lasting satisfaction.

AUTOMATIC WATER HEATING

Is there any better gift than an abundance of piping hot water whenever you want it at low cost? It's a household need required by every member of the family at all hours of the day and night.

AUTOMATIC GAS HEAT

Freedom from heating worries, freedom from dirt and drudgery... these are only a few of the benefits of this modern heating method. Give your family the warmth and cheer of summer days all winter long.

Any of the above household aids to better living can be purchased on low, easy terms. Get full information from your Public Service Store.

PALATINE, ARLINGTON LOSE; BENSENVILLE WINS IN OPENER

MAD SCRAMBLE BETWEEN WARREN AND ARLINGTON

Warren Winner in Last Quarter; Arlington Lights Win 22-10.

One of the wildest melees in recent years was staged in the Arlington gym last Friday night to open the N. W. conference basketball season. Warren, the visitors, were a little more adept at emerging from a mad scramble and hitting the basket and consequently won 19-16. Through most of the game it appeared that Arlington was going to be returned to the winner. For three quarters they seemed to have the game in hand, although their lead was a slim one. At one time the Cardinals built up a 5 point lead only to see Billy Phillips, ace forward for the visitors, get hot and sew up the ball game for Warren in the last quarter. The score was tied at 5 all at the quarter. At the half it was 7-6 Arlington. At the end of the third quarter Arlington still led 13-11, but only for a brief time, for within four minutes to go Warren stepped into the front and stayed there despite frantic efforts on Arlington's part to tie it up.

During the last five minutes the old gym was a mad house with each team getting more frantic as the game wore on. Little real basketball was played, particularly during the final quarter.

Arlington was again bothered with basket trouble. A total of 50 shots were rained at the netting with only 4 going through. On the other hand Warren took only 36 to collect 8 goals—hence the victory.

Arlington seemed to be the cleverer team, better ball handlers, and clearly had an advantage on height, yet "bucked-up" on what should have been dead shots close up to the basket. However, they are improving and are still hopeful of breaking through with a string of victories are long.

Warren's Blue Demons battled for their victory and were cooler under fire. Ames, Brya and McCann joined with W. Phillips in carrying the fight to Arlington. The lightweights got off to a bad start and did not recover their poise until the second half. Reserves furnished some spark during the second quarter. Mills hit two fine shots to keep Arlington in the running. In the second half the home team began to function properly. Annen, Grismer and Foley set the pace as the defense held Warren to three points. Seven of the team's points were collected when the final score was 22-10.

CRANE TECH AT PALATINE SATURDAY

Palatine Shows Bravery By Facing Fast Chicago Team.

One of the big games of the season on the Palatine home schedule will be played against Crane Tech of Chicago, Saturday night, December 14. This is the first time Palatine has ever played a Chicago team, and they are picking on one of the best outfits in the city.

The Crane heavyweights have seven returning lettermen from a strong team of last season including Valentino who lead the team in scoring. Other regular starters are Anapol and Levin at guards, Elias at center and Capt. Krotish at forward. Crane heavyweights will be the same team which reached the quarter finals of the annual Stag holiday tournament at the University of Chicago last winter. Crane has split even so far with a 38 to 14 victory over Lindbloom and a 32 to 30 defeat at the hands of St. George of Evanston.

Palatine's heavies will be the under dog as they have no lettermen from last year. Palatine's greatest need appears to be a consistent scorer. The Pirates had plenty of shots in the Wauconda game with 52 attempts but missed all but seven. Stuit and Kraft will likely start at guards with Bretsnyder and Mess, forwards and Wittenberg, center.

The Crane lightweights are small but scrappy. They have tasted defeat three times thus far losing to Manley 25-15, to Lindbloom 11-8 and to St. George 20-17. Palatine's lights made a fine showing in the Wauconda game to lose a decisive victory despite the loss of big Arnold Friese. The big center has recovered from a sprained ankle but the latest casualty is Cliff Haemker leading scorer of the team, who is sick with tonsillitis. Schinkosky will replace Haemker and team with Friese, O'Brien, Golden and Hermann on the regular team.

Palatine faces a tough week-end as they travel to Lake Forest for a pair of conference games on Friday before meeting Crane Tech. Lake Forest has two of the strongest teams in the league. Crane plays at Waukegan Friday before coming to Palatine.

FORMER HTS. STAR GETS NUMERALS AT MICHIGAN

Press Story Pictures Big Future for Steve Szasz on Football Field.

East Lansing, Mich., Dec. 11—Steve Szasz, of Arlington Heights, Ill., is one of 34 freshman football players at Michigan State College who will be guests of honor at the annual "football bust" which alumni and business men will stage here next Saturday night. Szasz won his 1940 numerals as regular quarterback on this year's freshman team and was one of the leading players on a squad that numbered more than 125 at the start of the season.

The banquet Saturday is another in a long series held by the alumni over a period of years. It is recognized as the leading football banquet in the state. Over 200 outstanding high school football players from around the state will be brought here for the occasion. The official all-state high school team is also to attend. Announcement of the 1936 schedule, introduction of all varsity and freshman squad members and presentation of the Governor of Michigan award to the most valuable player are some of the features.

The Arlington Heights contribution to the freshman team is built along the lines of Dick Colina who piloted the Spartan varsity to national heights this past fall. He is probably even faster and shifter than Colina. Colina only weighed 148 pounds, but Szasz scored several touchdowns against the varsity this fall with his twisting runs and speed and his freshman team lost only one game out of five played. Boys from half a dozen states will be included in the 34 honored with numerals.

Conference Makes Changes

At a meeting of the members of the Northwest conference held at Wauconda last Wednesday, a number of changes were made in the rules for the present basketball season.

Each student in the conference will be given an identification card which will entitle that student to the student rates for admission at all games he attends. This card will take the place of individual student tickets.

No basketball player can participate in both heavy and light games the same evening.

Group No. two, comprising the schools of Wauconda, Grant, Leyden and Ela will play the first game of the tournament at Palatine Jan. 29, in place of Warren as originally scheduled. Palatine and Wauconda drew byes in the first game of the tournament.

Each one of the ten schools in the conference last year will receive a dividend of \$18, representing the balance in the conference treasury.

The football schedule has been pushed back for next fall. The original schedule did not give the teams time for the desired practice games.

Palatine has dropped football for next year except independent games and will not be considered in championship play.

ACES OPEN CAGE SEASON AT HOME

Will Play Two Games Against Barrington on Friday Night.

Having again secured the high school gym, the Arlington Blue and White Aces will open the season with the Barrington Allstars. Barrington led by Ray Wichman, former University of Wisconsin basketball captain, will attempt to even up last year's defeat. Captain Wichman is supported by former Northwest Conference stars such as "Bobby Wolf," Thorpe and Con.

The Arlington Aces will be composed of the same former high school stars, and a few new men such as Roger Hertel and George Weisgerber. The Aces managed by Ed. Wahl and Bud McKaig, are very proud of their teams having only lost three games on their home floor in the past three years. They have a nice schedule this year and desire the patronage of all local Arlingtonians. Watch the Herald for ads giving dates of all home games.

Palatine Player Wins His Numerals at Knox

Kenneth Stroker, of Palatine, won his numerals in football this season at Knox. "K" awards were given to 18 men, the majority of whom are sophomores and who are credited with furnishing the man power that make the Knox eleven victorious this year. The freshmen to receive numerals numbered 25.

Arlington Grade Boys Defeat Cary; Play Crystal Lake 2 Games Friday

The Arlington Heights elementary school boys have entered wholeheartedly into their basketball season. They won two games last week from Cary and Crystal Lake comes to Arlington Heights this Friday. The home games are played at the Presbyterian church gym.

ITASCA DEFEATS ARLINGTON

Close Scores Mark Week's Play in N-W League.

Itasca defeated Arlington 23-21 in a N. W. Luth. League game. Paced by Hoppenstadt, whose one-handed shots rolled up a good lead in the first quarter, they scored only three out of twelve charity tosses, Arlington trailed the entire game. Baskets by Beyer and Colba, and free throws by Laseke, made the score 10-8 at the half time.

Laseke took the lid off for Arlington in the third period, dropping in four recovery shots. Hoppenstadt led Itasca, its 6 ft. guard, midway in the second period on fouls. Beyer's floor work featured for Arlington. The defeat dropped them to a tie for sixth place with Glensview, with 1 won and 2 lost.

Palatine remained the only undefeated team in the league through its victory over the previously undefeated River Grove quintet, trailing the entire game until closing minutes, when Helms looped in a long one to put the game on ice, 25-23. The defeat dropped River Grove to second place.

Park Ridge defeated Glensview in the other game on the card by the score of 25-17, leading the entire way. A good crowd was on hand to watch the games.

Come out next Sunday and treat yourself to a good afternoon of basketball. First game at 2 p. m. Arlington

BUSY WEEK-END FOR CARDINALS

Arlington Heights Cardinals face a busy week-end. On Friday night they journey to Lake Zurich to take on the Ela ball club and on Saturday night are hosts to the two Crystal Lake teams. This will be the first time a Crystal Lake high school team has ever played in the present high school.

Arlington is looking to two real games. Little is known of Ela's team excepting that they have a red-hot sophomore forward in Leuthesser, who was a high point man last year, and able assistants to him in Buesching, Grever, Rudinski and Miller. As a frosh last year the diminutive Leuthesser was a real goal getter and it is unlikely that he has slowed up any. The Cardinals hope to hit the stride in this game that they have been showing promise of the past three weeks and come home red hot for Crystal Lake on Saturday.

Two weeks ago Crystal Lake slipped over a 28-22 defeat on Arlington at Crystal Lake which can easily be reversed this time if the Cards settle down to a little first class basketball.

Since this is the first time Crystal Lake has ever played at Arlington it is hoped that a real turnout will be present. As usual two games will be played beginning at 7:30 o'clock.

BASKETBALL TEAM NOW AT WHEELING

Mr. Breitenfeldt has formed a boys and girls basketball team. Basketball is something new to the Wheeling children, but they are taking to it like a duck to water. Of course, the teams are handicapped by not having a gym. They practice on an outdoor court, and in Northbrook's gym once a week.

Nevertheless, the girls have won their two games played. They defeated Glensview 31 to 4 and Franklin Park 8 to 7. The last game was a thriller. Wheeling was losing 7 to 4 and only 4 minutes left to play. Did they quit? No! Betty McClaughry sank one from the center of the floor, and June Grant followed with 2 points from under the basket. Franklin Park tried desperately to score in the remaining 2 minutes, but just couldn't. The game ended with a try for a free throw by Franklin Park; but luckily it was missed.

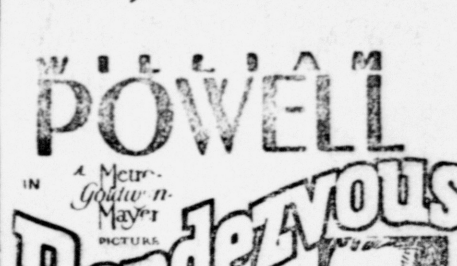

The Wheeling boys have only played one game which they lost to Glensview. The boys will have much harder going for they will meet stiffer competition than the girls. They may only win a few games, but the benefits they will receive from the games will repay.

ARLINGTON HEIGHTS O. E. S. CHAPTER INSTALLATION

Saturday evening Arlington Heights chapter held their installation of officers for the coming year. There was a good attendance of members and friends. The hall was beautifully decorated with pines. The retiring worthy matron, Jennie Carlson, welcomed the following installing officers. Georgia Pankonin, P. W. M., as installing officer; Maybelle Jasper, P. W. M., as installing chaplain; Celia Hausman, grand lecturer, as installing marshal. Helen Jackson, at actress, installing orator 1935-1936. Mrs. T. J. Tsch, a member, as soloist.

Robert Thorson, son of the new matron, presented the new flag, and Dorothy Jasper, the ode to the flag. Mr. Thorson took her vows at the ceremony and the soloist sang to great applause. This was a beautiful sight to see. She was escorted to the East and given a hearty welcome by members and friends.

Frank Hausman was installed as worthy patron, and escorted to the East by his sister, who served as installing marshal. The following officers were installed to serve with Sister Thorson: Irene Hauff—Associate Matron, Elmer Crane—Associate Patron, Maybelle Jasper—Secretary, Inez Bozoe—Conductress, Myrtle Frey—Associate Conductress, Florence Schadt—Marshal, Helen Jackson—Organist, Dorothy Dutton—Adah, Emily Schumacher—Ruth, Gertrude Milligan—Esther, Ruth Lloyd—Martha, Betha Roderick—Electa, Marion John—Wardens, Walter Dick—Sentinel.

When the installation of the officers was concluded, Sister Pankonin presented Sister Thorson with a beautiful gavel from her officers. Sister Thorson thanked the members for the honor of being their worthy matron; also her officers for the beautiful gavel. Sister Celia Hausman was introduced as instructor for the coming year. Annabel Tesch was introduced as soloist and Florence Luckner as correspondent.

Short talks were given by Frank Hausman, worthy patron; Celia Hausman, and Maybelle Jasper.

The retiring officers, Jennie Carlson and Nat Carlson, were presented with past officers' jewels, by Celia Hausman and George Volz. Both thanked the chapter for their jewels and the privilege of serving their chapter.

Brothers George Volz, Richard Jahn and Elmer Laurin served as escorts. The program consisted of music by the trio, Miss Helen Jackson, Mrs. L. Baskin and Mrs. A. Tesch, and two very clever readings by La Verne Nelson.

All extended best wishes for a most successful year for our worthy matron and worthy patron.

ARLINGTON HEIGHTS CHAPTER NO. 992

Arlington Heights will hold their first meeting with the new officers on Thursday, Dec. 12, and meeting and a social hour following.

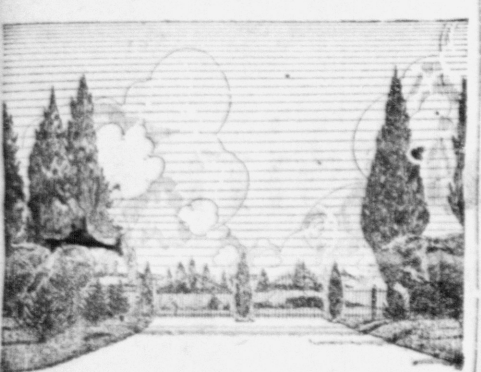

We are sorry to hear that Sister Holmberg has been confined to her home because of illness, we wish for her a speedy recovery.

W. B. Beardsley Gives Own Recipe Pecan Pie

W. B. Beardsley, formerly of Arlington Heights recently arrived here with a large quantity of pecans that were grown upon his place in Louisiana. He has been distributing this crop in this community and to show the housewives that there is another use for pecans aside from nut cups, has asked us to publish this recipe.

Pecan Pie
1 cup corn syrup
1 teaspoonful vanilla
1/2 cup pecan meats, chopped
2 level tablespoons corn starch
Yolks of 3 eggs and white of 1 egg
1 tablespoonful butter.
Put eggs in first and vanilla, then beat in cornstarch. Add corn syrup and other ingredients and beat thoroughly. Pour into an uncooked crust. Bake 10 minutes at 450 deg. F. and 30 minutes at 325 deg. F. May be served with whipped cream or meringue.

Lowest Perpetual Ice Field
The lowest perpetual ice field in the continental United States is the Carbon Glacier in Mt. Rainier National park, with an elevation of about 4,000 feet.

EUCLID LAWN CEMETERY has a perpetual charter; 75 acres on East 1st St. It is rural and parklike, with non-sectarian and Lutheran sections. Both monument privileges and garden sections without monuments. Desirable lots can be had from \$25 to \$50 per grave. The cemetery is conducted without corporate profit. For particulars address—

Wide Wave at Arlington

Wide wave sound installed in Arlington Theater through the tireless and ambitious efforts of the manager, Mr. Godshaw. Tuesday night, was "First Night" introducing this marvelous improvement. It was sponsored by the high school teachers and pupils, through the courtesy of the theater manager, who in his plain unaffected manner, explained the advantage of this newly installed sound wave system. This places Arlington Theater in front rank, no longer need to expose your self to the dangers of a midnight trip home from a Chicago theater, when we have the privilege of first class films here at home.

Mr. Godshaw had been invited by the high school faculty to explain in a lecture before that body, the nature and wonder improvement to be afforded in this new sound wave—not finding the time to accept their invitation he chose to give them a surprise by giving his lecture or explanation on the occasion of this "First Night" presentation. His words were plain and in that most effective, not able now to copy or express it here in full, I wish his inspiring convincing words might be published that all might the better understand the grand self effecting work Mr. Godshaw is putting into this "our" theater. Not one dollar taken in for exhibits in this theater have been used by him, in any way except to improve and make the shows and the theater more attractive and higher class and to be more perfectly presented.

The first night picture in which Irving Berlin "Top Hat," a sort of musical comedy in all the hits on modernism that culled forth regular cannon shots of applause.

Please bear in mind our theater manager is putting every cent he receives for the shows, back into Arlington Heights, be sure and patronize and encourage the man who is doing so much to build our town. Show your appreciation by patronizing the best picture given by this "best" Manager, Mr. Bruce Godshaw, to him remove your "High Hat" and further listen! Take a step down now old McVicker And let our Arlington flash and flicker.

P. T. A. NOTES

On Dec. 2, the Parent Education and Homemaking group met at the South School.

Mrs. Atkinson gave the topic, "Social Development in the Home." The home is responsible to a great extent for a child's social attitude. The great challenge to the American home and the American school today is to train children to live harmoniously with their own families, their companions, and with other races.

Our educational progress, our international relationship, and the friendship which the world will in the future feel toward our country will depend upon us, the parents and teachers, and will be measured by our vision, attitude, and cooperation.

The Homemaking subject was budgeting time, money, and effort taken by Mrs. W. C. Avery. She referred to the whole as Household Engineering which includes dispatching, schedule, reliable records, discipline, fair deal, and efficiency reward. The kitchen equipment should be arranged with the thought of "preparing" and "clearing." In doing a task count time and motions, illustrated with ironing. Consider a task from the standpoint, "is it essential in family welfare." For money management of small incomes, one-third could be spent for food, one-third for shelter; operating which would include fuel, electric, help, etc., 10 to 18%, savings as social security 10%. The rest spent as wished—recreation, etc. It is wise to invest in more than one place.

The next meeting is Jan. 20. Topics: Character Education. Clothing the Family on a Reduced Budget.

Woman's Club Notes

December 18, the Woman's club is giving a Christmas party for small children. Mrs. Brown of Searsdale is kindly loaning the club several reels of appropriate moving pictures for the occasion. Among other attractions there will be carol singing, favors, decorations and even Christmas cookies. All members who have small children are planning to bring them to this party. Some are bringing grandchildren, nieces or nephews, or even little friends; those who can neither beg, borrow or steal a child, are coming just for fun.

The Rummage sale held last Saturday in the city hall, proved a success "with fun in every fold of it." Funds enough were realized to enable the club to meet all budget pledges for charity. The clothing left after the sale was sent to Mrs. Frieze, to distribute to the needy. The other articles left over were put into the Good Will bags for the Good Will Industries in Chicago, through which good work is done. The club wishes to thank the Heller Lumber company for the lumber loaned for the sale counters.

Only fifty-six of the 600 ticket books given to the club by Mr. Godshaw, remain unsold. Now note in this the proof of Woman's business acumen? Mr. Godshaw now generously offers twenty-five cents for everyone of these remaining which are sold. Club members who can use these tickets are urged to get them from Mrs. Wm. Jahn.

French Classes
The French classes held their first meetings Thursday morning last week. They have agreed to meet alternately at the homes of Mrs. Bates and Mrs. Jarvis. The next meeting will be held at Mrs. Bates, Advanced class at 9 o'clock; beginners at 10:15.

Book Circle
The Book Circle will omit the December meeting since the date is December 25. We are all very happy to hear that our chairman, Mrs. Elizabeth Bray, will be with us at January meeting.

December 4 Meeting
Mesdames Adam and Baldwin, 7th district officers, were with us at the meeting of December 4, in the home of Mrs. Kaeppl, whose guests they were. Mrs. McClure, chairman of the State Moving Picture committee, was present as scheduled, and spoke in her usual convincing and pleasing manner in her urge for better films. She claims the channel through which this demand must come is through the club women themselves.

The music was furnished by the French sisters, who are widely well known, in both vocal and instrumental numbers, which delighted the audience. Refreshments, choice and attractively served, set free the spirit of genial friendliness and lively conversation.

There were about sixty in the company who enjoyed this interesting program. Mrs. Kaeppl was a charming hostess and added by her thoughtful courtesy to the pleasure of the meeting.

JUNIOR LEAGUE NEWS

The regular meeting of the Junior League was held on Monday evening, December 9. Plans are well under way for the holiday dance to be given at Mohawk Country club on Saturday evening, December 28. Miss Norma Meyer is chairman of the publicity committee; Miss Margaret Rubner is in charge of the tickets; Miss Bernice Perrin, music chairman, and Miss Madonna Annen, general chairman. Bids are now available at \$1.00 a couple and can be purchased from any Junior League member or at the club the evening of the dance. Unsurpassable dance music will be furnished by Eddie Bado and his Revelers and the time is 10 'til 2. Attend this grand affair and be assured that you will have the biggest and best time you have ever had.

It was voted that we give a donation of \$5.00 to the Red Cross and \$1.00 to the Park Ridge School for Girls. The next meeting will be a Christmas party and each girl is requested to bring a 25c gift for the grab bag.

Arlington Stores Filled With Christmas Goods

With stores filled with Christmas merchandise and the outlook of the happiest Christmas Arlington Heights has known for several years, the stores of that city will keep open evenings commencing next Monday, Dec. 16. This will give the busy parents an opportunity to look over the Christmas merchandise that Arlington Heights stores are offering this year. Much time and money can be saved by the people who make the most of the opportunity to do their buying in Arlington. Bring your Christmas lists with you any evening next week and see how many on that list can be checked off.

OH FOR A BIKE

Many a boy—and girl, too—has been admiring those bicycles which Elroy Winkelman has on display at the Winkelman Tire & Battery Shop. Those bikes are 1936 models and are delivered with all accessories at the one price. Even a dad will admit that no automobile is more complete, and there is not a dad who has a live wire son or daughter, who will not want to tell Santa about those bicycles.

THAT DIAMOND RING

Perhaps the person who will walk off with the diamond ring that G. H. Wilke is going to give away Dec. 28, is one of the customers who will make a purchase at that store tomorrow. The special buys that are being offered by Wilke are so good that a free diamond ring is not needed as an added incentive, but the interest that is being shown by customers at Wilke's is increasing as Christmas approaches. Remember, a small deposit will hold any article until the holiday.

FORMALS—THE ENVY OF EVERY GIRL

A formal for Christmas party is becoming more and more a necessity for the high school girl and their older sisters. The demand has become so great that the Emerald shop is featuring them—an excellent gift. Among other suggestions in the Emerald shop ad, this week are scarfs, rain capes, stockings and ties.

SHOES, SHOES AND MORE SHOES

It is not every business house that can celebrate its 48th birthday in the manner in which Hartmann's shoe store is doing because there are few business men who have been in business 48 years and there are few stores that can give better bargains. Shoes of every style and almost every size are in the bargain lot.

IT IS TOY TIME AT GIESEKE'S

It is toy time at Gieseke's and Santa Claus is going to be at that store Saturday evening, Dec. 14. It is a good time for dad and mother to take the children down town. You will get a kick out of the evening and you will find the display counters at this store full of Christmas suggestions.

FURNITURE—THE BEST GIFT FOR THE HOME

Furniture is an all year around gift—one that will be appreciated every day. Studtmann Bros. will be most happy to help you make your selection. Furniture should be selected at once. This store will deliver it when wanted.

MEN'S WEAR—THE IDEAL GIFT FOR MEN

A new display case has been added to the Arlington Bootery store equipment to accommodate the men's wear that has been added to the stock of this store for the Christmas season. If you desire a gift for a man, here is the place to select it. Shoes, every kind, every style, every price—to fit your preference, your feet and your pocketbook—that is upon what the Bootery has built its business.

A SET OF SILVERWARE WITH A RADIO

Where is there a household who will not welcome new silverware, when it costs nothing. Where is there a household which can not use a Philco radio that Dreyer's are offering at \$79 and up. A \$16 set of silverware goes free to every purchaser of the latter.

The word "tabu" is of Polynesian origin and was first introduced to England speaking people by Captain Cook in the Eighteenth century.

Wheeling Township Regular Democratic Organization

This column is being edited by Rudolph Lacinia, secretary of the Wheeling Township Regular Democratic Organization to inform Democratic voters of conditions that have and are existing in Wheeling township.

A very busy meeting of the Wheeling Township Regular Democratic Organization, was held last Tuesday evening. Mr. Oleese called on four of the regular elected precinct committeemen for short talks. They explained why they belonged to this organization, the difficulties they had encountered in the past and the necessity of a change from the one man rule of Homer J. Byrd, with its string of broken promises. They explained that to do this they had banded together and formed the first regular—Regular because they are the precinct committeemen duly elected by the citizens—Democratic organization. Wheeling township chartered by the State of Illinois. That from now on the Democratic party in Wheeling would function for all the citizens—not for one or two. That in the true sense of the word it would be democratic—not a few pay rollers bullying the citizens with an exaggerated idea of their own greatness.

It was recalled to those present that two short years ago Homer J. Byrd expressed himself very freely that he did not need the votes of Wheeling Township—that they were a "wee small dawdrop" in comparison with the rest of the county—that he would be elected overwhelmingly without their aid. Wonder was expressed at his change of heart. Why is he seeking their aid now? The answer to this and many other things, Mr. Oleese assured, will be answered at our next meeting. Some startling disclosures were promised by the various precinct committeemen.

Plans were laid for a Holiday dance to be held between Xmas and New Years—all proceeds to be used for a huge Christmas party to be given at the Headquarters, 7 W. Davis street, Dec. 23, for the children of Wheeling Township. Santa Claus will be there and greet his little friends and all the children, accompanied by their mother or father, will have an opportunity to tell him what they want and receive a present from Santa Claus. A large Christmas tree and holiday decorations will adorn our headquarters.

X-Ray Versatile

X-rays have been used for many things other than medicine; to locate pearls in an oyster without opening it, examine documents for alterations, photograph bullets in flight, and examine delicate building work for hidden flaws.

WHY BE TROUBLED

OBSERVER'S NOTES

One who goes wandering discontent
In every place will find
Something it seems was never
meant,
In harmony he could bind;
Yet stars and skies above each
place,
Were ever bright and clear,
And kind folks met with smiling
face,
Offering friendship dear,
Who keeps along this weary quest,
A faultless place to find;
On which to set his staff of rest,
Will discover it in his mind.

You remember the dove Noah
sent out of the Ark, could find no
place on which to rest and had to
return to the Ark, so it is with
people who go up and down the
world over to find a place, a per-
fect place to live, often return to
the place they first knew, to set-
tle down content.

The fault we find with the place
in which we live is often in our
minds. You just listen to the fea-
tures we complain about here in
Arlington and note that they are
more or less common to other lands
and other climes. Drouth, floods,
heat, cold and storms, even earth-
quakes, have come to us.

After all most of our criticisms
of places, "probables" and people
are mere generalities and can be
unlimitedly applied. Most places
have their fine features and their
disagreeable as well. So is it with
people we only know them from our
point of view too often prejudiced
by hearsay of others.

The wisest way to know a place
is to live in it for a period of
changing seasons and the best way
to know a people is to share their
adversity and to help to bear their
burdens. We never know a people
until we go with them in times of
sorrow and of joy. The pity of it
is we seldom understand or really
know our very own.

So often we hear one person say
of another, "I never really knew
him or her until I was in trouble
and they came to tell me of their
own trouble so like the one I was
experiencing and I never dreamed
of her in such trouble. So it is, if
we knew each other as we think we
know ourselves, we would be more
kindly and charitable.

If you knew me and I knew you,
If men but knew each other;
They wouldn't act as now they do,
To grieve and wound a brother.

If I knew you and you knew me,
May hap we would be finding,
We had no cause to disagree,
That like to like was binding.

If I knew you and you knew me,
And each was right intending,
Toward the other, don't you see
Quarrels would have an ending.

If you knew me, and I knew you,
We might surprise each other;
For all would be more kind and
true,
If each but knew his brother.

More over if you who deign to
read these notes and cheerfully criti-
cize some of the things the poor
perplexed printer made me say,
just try a hand at it yourself. Who
can write same, sensible notes
these times when even stomachs
get upside down?

Upsidedownness seems to become
more and more prevalent. The Lit-
erary Digest tells of a man down
in Texas, who reports seeing a rain-
bow upside down, has concluded it
was probably a PWA job he saw.
Women are finding a more discour-
aging trouble than the upside-
downness in their bewilderingly
shaped hats.

A woman throws her hat in the
ring,
And gets not a bit of attention;
Since no one can classify the
strange thing,
Or know how to give it mention,
Get a Statson sister, give it a swing
And whoopee, hear you mention
ring.

Following out a resolution to
speak only of good and cheerful
things in these notes, want here to
mention those fine elms set on the

north or Miner street side of Mea-
dow Park, and we are sure there
was no upside down manipulation
in the way they were set out. Our
native elms are the one dignified,
beautiful feature of Arlington
Heights.

That reminds me of the new
house the Cooper family are build-
ing on East Euclid street. We are
told they had looked about over
many places in which to locate their
new home. Finally the beautiful
spreading trees along streets, ave-
nues and on home grounds in Ar-
lington Heights, made such a
strong appeal to their sense of
beauty and enduring fitness they
chose to make their home among
us. May we, the people of this city
of good neighbors, see to it they
never regret their choice.

It isn't the church, the bell or the
steeple,
That ever the heart shall win;
It is something in the minds of
people,
That radiates from within;
Nothing so proves that good must
be,
In the heart as when man shall
plant a tree.

The Bible tells us "The tree is the
life of man." On a treeless desert
who would choose to live? The
trees of Arlington Heights are in-
deed its one strong lure, its great
attraction. For these we owe un-
paid thanks, a lasting debt to the
Klehms. The history of our trees is
worthy of record.

If one is to keep a resolution not
to write of unpleasant things they
will have to avoid newspaper re-
ports and radio broadcasts for they
are so cluttered with crime stories,
war threats, forums on new deals
and old dealers one must turn to
reading modern "best sellers" or
join a bridge club. We are told we
must take tales about public offi-
cials and public officialness "with
a pinch of salt." What if the salt
gives out?

They say the salt is growing less
In the waters of Salt Lake;
Is it that we so often take
A pinch of salt with each deal or
mess,
Or new alphabets they make?
Our old faiths seem all torn
asunder,
Somehow I've got the notion
If this goes on, it will be no
wonder
If our pinches of salt rob the
ocean.

We are convinced that even
though salt may be diminishing
from bodies of salt water, the true
salt of common sense has not lost
its savor in the minds of our
much maligned American youth.
This sage remark from a bright
young man of our town speaking
of the number on relief he said, "In
this day the rich grow richer and
the poor have more children," and
on relief.

To keep the promise to write
only of good and hopeful things,
will add that this same young man
after discussing our local affairs
said it was his belief that all our
public officials should have a cer-
tain amount of legal knowledge and
hopefully added that he knew of
several of our young men who were
taking up the study of law. He
paid a fine compliment to Mr.
Ladas, who was a candidate for po-
lice magistrate last year, a man
who has a thorough law education.
Isn't this hopeful to place in the
good news column.

Good work is being carried on
by the women of Arlington Heights.
The P. T. A. are gathering funds
by their own efforts to provide
warm meals for hungry children in
our schools. In this movement the
Ever Ready club are taking a help-
ful part. At present are making a
quilt to sell to get funds for the
equipment for serving these meals.
So the good work goes on.

Not in our town alone is this
good work going on. We hear of
one place in Athens, Illinois, the
P. T. A. women husked corn, that
when sold brought twenty-three
dollars, with which these industri-
ous P. T. A. workers are furnish-
ing warm meals to the poor chil-
dren in the schools. Mrs. Kinkaid,

Mother's Cook Book

THINGS THAT ARE NEW

WE ALWAYS enjoy hearing or
reading of something new in
the art of entertaining, especially
if it is food. Everybody likes to
eat, and the better the food is the
better we like it. The following
are a few good suggestions which
may be used when preparing a
menu:

Curried Eggs
Cook six eggs until firm and the
yolk mealy. The method has been
given so many times, yet here it is
again: For every egg provide one
pint of boiling water, drop in the
eggs—they should be of the room
temperature, if not add a larger
proportion of water—cover closely
and keep on the back of the range
for thirty minutes, when the eggs
will be well cooked but tender. Mix
three tablespoonfuls of salad oil,
the same of flour, one teaspoonful
of salt, one teaspoonful of curry
powder, one-fourth of a teaspoonful
of paprika and when well blended
add two cupfuls of milk and cook
all together in a double boiler for
twenty minutes. Cook and serve
the eggs, cut into halves, with the
sauce poured over it. Serve on
toast.

Jiffy Frosting.
Take one cupful of sugar, three
tablespoonfuls of water, one table-
spoonful of dark corn sirup, one
egg white unbeaten and one tea-
spoonful of flavoring. Place all the
ingredients in a double boiler over
rapidly boiling water. Beat for
eight minutes, then add the flavor-
ing. Remove and beat more, then
spread on the cake.

Oriental Peach Stones.
Place large, perfect halves of
peach in cup-shaped lettuce leaves.
Fill the cavities with chopped
dates, pecan meats, one-fourth of
a cupful of preserved ginger, all
finely chopped and mixed. Add the
ginger sirup to moisten. Make into
balls and arrange in the peaches.
Serve with mayonnaise dressing.
© Western Newspaper Union.

head of the organization, headed the
movement.

Action! Action! All is motion in
this mighty world of ours. Like
the current of the ocean, man is
moved by unseen powers. Just now,
Monday morning, December 9, a
ray of light seems to give promise
of clearing away the dense London
fog that, like a league of na-
tion mummbling, has enveloped us.
And now the campaign opens. All
the radios are held for broadcast-
ing the President's speech.

The campaign is on! This morn-
ing, yea, even before the dawn, af-
ter a rather late dinner with a baked
Idaho potato and a like prepared
Illinois apple resting on the sound
rock of the Idaho senator's recent
address, I was awakened by the
loud challenge sent across from
the west, yes, a challenge in the
baso profunde of the Donkeys not
carrying tones. It came from our
Democratic cockerel on the west,
and the challenge was quickly
answered by a clear, loud defy from
a cock in our neighborhood, a cock
hatched out in Iowa, where defiance
defines for farmers rights.

And thus the campaign opens,
our smiling President is looking
over his honeyed eloquence, yet the
flowing rhythmic oratory cannot all
be sweetened with honey since that
product has been reduced, as the
bees are all on a strike, nesting in
presidential bonnets, so it is beet
sugar will have to be used to sweet-
en New Deal protection.

The goose that laid the golden
eggs has been slain for the Presi-
dent's Christmas roast and the egg
used to figure up billions in our na-
tional deficit have been cut to mil-
lions instead of billions on the re-
cords. Yes, the campaign is open.
The Donkey has limbered his legs
to kick all the New Deal and AAA
critics off his path. The elephant
has packed his trunk with "Grass
Roots" to nourish aspiring candi-
dates. The fight is on. Wake up
America!

The ink of many campaigns,
courses in the mind movements of
this "Observer." If life begins at
forty, have begun through two of
those periods and have but a half
year to complete a ten years to-
ward another. Rouse up voters!
Save our beloved land. "Wake up
America!" This is my appeal and
now good morning, and cheerio to
all.

Why is it that we spend our days,
Thinking of self, of self alone;
People and things we call our own,
To prosper please or win us praise?

We are not here for self to live,
Nor to fulfill some selfish plan;
Ours in the brotherhood of man,
For mutual good the best to give.

If we will always let our aim,
Be for the highest good of all;
Some of that good on us will fall,
Though none discern from whence
it came.

We are not here to toil and strive,
Bringing to others joy and light;

For good alone for me and mine;
Tis ours to share the glad sun-
shine,
God pours on us, with all alive.

We must all die, or soon or late,
And just think what a sorry plight
You would be in, going tonight,
Alone to pass the guarded gate.

And should the Porter question you,
To find if any good you've done,
Could you point out a single one
Made better by the things you do?

Not what we claim, nor what we
get,
Will give us entrance over there;
Only what we with others share,
Will bring us peace without regret.

So many movements men require,
To you or yours may not seem
good,
Yet to the wider Brotherhood,
Prove an uplift to something
higher.

Look out, reach out in effort great,
Bringing to others joy and light;

If you were called to go tonight,
Their prayers may help you pass
the gate.
Elinore Crisler Haynes

City of Manila

The Spanish, in 1565, occupied the
Philippines and a city government
was established in 1571 in the na-
tive colony at the mouth of the
Pasig river. Thus Manila became a
city and a prosperous commerce
with China started its growth and
development into an important trade
center of the Orient.

Ancient Poor Law

The poor law of Queen Eliza-
beth's time, some 350 years ago,
enjoined the parishes to supply the
able-bodied unemployed with all
kinds of raw materials for useful la-
bor, flax, hemp or wool for spinning
and weaving; iron and timber for
handicrafts and even land for cul-
tivation—somewhat like what we are
doing today.

"If the bride of today used her
own head when preparing her
meals," says catty Katie, "all he
could expect would be planned
steak."

ARLINGTON HEIGHTS

What is the news? Bitter or worse, keep a tight hold upon your purse; Christmas is coming down this way, spending fury grows each day; in foolish trinkets of no use, enough is spent for a good fat goose.

Be sure to patronize home trade, use common sense in each buy made.

There's much too sad to mention here, read your home paper, sets it down clear.

December 12, 1901, first wireless sent across the Atlantic.

1909 Dr. Frederick A. Cook reached the North Pole.

1911, Amundsen and the South Pole.

December 17, 1903, Wilbur made the first airplane in his own plane.

Engagement announced by Miss Anor Wolf and Mr. Clarence Kaig.

Sorry to hear that Lois, daughter of Rev. and Mrs. H. C. Fricke has been shut in very ill the past week or two. These, our good neighbors, are having their full share of sickness.

Mrs. Edith Swain of Madison, Wisconsin, has been a recent guest of her brother, Mr. Archie Fessler and family, from here she goes to other friends in Detroit.

Sunday afternoon the C. E. McWharther family went to Des Plaines to enjoy the Vesper service given in the Congregational church of that town.

Mrs. Hesch of North State Road who has been receiving treatment in a hospital, is reported to be on the way to recovery from a serious ailment.

Mrs. Herman Meyer was recently installed vice grand in the Rebekah lodge at Barrington.

Mr. and Mrs. O. G. Barrett went to Chicago Monday to hear the address by President Roosevelt.

Dr. and Mrs. McLaughlin and Mr. Leonard Ackerman of Chicago, were Saturday evening guests of Dr. and Mrs. Howard Dunn. They are old time friends.

The George Prasinos family of West Euclid, have gone to Chicago to spend the winter.

A family from Chicago have recently moved into the house on North State Road last occupied by the two Tegtmeyer brothers.

The Fred Mueller family have moved from the fifteen North State road to the Jahrling house on No. Pine avenue.

The Albert Wenzel family have moved from the F. Schulenburg house in South Vail to a house on South Dunton avenue.

Mrs. Mildred (Morse) Jelink from Irving Park, was in town calling on friends here Friday last week. We are sorry to hear she had recently had a fall in which she broke her right wrist, much disabling her.

Mrs. C. E. McWharther and daughter, Barbara, went to the city last week Saturday to visit her aunt, Miss Christina Kuhn and Mrs. Garrett Reptke. In their absence Mr. McWharther, Carol and Royce, went scouting on the trail of Santa Claus, most likely around the loop in Arlington Heights.

Mr. and Mrs. Herman Meyer with Cecil and Phoebe, went to a party in Maywood last Saturday night. The party was in the home of one of their friends.

Ember days, December 18, 20 and 21. Ye old timers, study up the weather for next three months. Saturday, December 21, shortest day of the year, and winter begins.

The Gleaners Circle of the M. E. Church will meet with Mrs. O. G. Barrett, 409 S. Mitchell St., Wednesday evening, Dec. 18, at 8 p. m. Members are requested to bring a 10c gift for exchange.

Jaqueline, little daughter of Mr. and Mrs. August Toussaint, was one of the five out of fifty-five who were given audition in the Phillips 66 amateur hour Monday, over WGN. Those who heard her sweet, clear voice, bravely singing, "Why don't you practice what you preach" are sure they will hear her when the star cinema are given public hearing. Watch, listen for her Monday night.

Mr. and Mrs. Adam Hoffman of South Dunton avenue, are the parents of a daughter born Tuesday, December 10, 1935.

Miss Dorothy Helm returned home from California in time for Thanksgiving last week, and I'm sure she found home gives much to be thankful for, even if we cannot stage as big earthquakes, nor as flower fledged epics as California, we still have some fine attractions. She tells us that Mr. Helm, her grandfather and Mr. J. J. Dietrich, are both looking forward to coming to Arlington Heights next spring.

Mr. C. Struve of West Euclid, is so far improved from his recent illness, as to be able to walk about.

Thursday this week the Sunshine club will go to Chicago to enjoy their annual theater party.

We are sorry to learn that one of the Rodewald brothers, who so faithfully attend to our requests for news—"News men"—on the corner, has and is now unwillingly entertaining some of Jobs' comforters. One so troublesome as to reach carbunkle demands for space.

Oren Stein is reported to be very ill in his parent's home in South Dunton avenue.

Mrs. Gade of Chicago is out from Chicago to assist her daughter, Mrs. H. C. Fricke in the siege of illness and worry which Rev. and Mrs. Fricke are now passing thru. Who can help more than such a good mother as we know Mrs. Gade to be?

Our tradesmen will be sure to inform you just how many days to Christmas.

Elmer Busse is the new driver for the Wolf Coal Company at Mt. Prospect.

Mrs. Lucy Mariacher of 202 No. State road, celebrated her birthday Saturday, Dec. 7, at her home with a few of her many friends, neighbors and relatives. According to laughter and song everyone must have had a good time.

Mrs. H. C. Cleveland entertains the missionary society of the Presbyterian church to a Missionary Tea in her home Friday afternoon this week. Mrs. G. Fehman and Mrs. B. A. Noyes are in charge of the program.

Mr. and Mrs. Albert Cosman and children with Mr. and Mrs. Leslie Pyle, visited Mr. Cosman's folks Sunday afternoon on the farm.

Mrs. Warren Fellingham entertained the Fidelis circle in her home Tuesday evening this week.

The auxiliary of the V. F. W. met Wednesday last week for their regular meeting, which was in charge of their new president, Mrs. Lillian Adams. Plans were made for their Christmas treat to the soldier boys at Elgin, and for the Illinois Cotton for soldier's orphans, their national home, in Michigan. After looking after all other needs coming to their notice they planned for a Christmas party for themselves. A letter was received from the Kloepfers who arrived safely at Pensacola, yet have not yet settled in a new home.

The Paul Incapero family have moved from South Walnut to the old Redeker building in West Campbell street.

Club women, attention! Mrs. Harriet Robinson, president of the Civics committee of the Northwest area, will lecture December 16, at 10:30 a. m. Her subject, "Dishonest Elections, Why We Have Them." Don't miss this much needed address. Sandwiches, any variety you choose to take, will be served with tea or "what have you" for a small fee.

Someone in an airplane has been for some time flying back and forth over Arlington Heights. Do you suppose he is sleuthing about to find an honest politician?

South Side Breezes

The Little Flower club was entertained Wednesday evening at the home of Mrs. Wilbur Wagner, So. Mitchell. Election of officers took place and resulted as follows: President, Mrs. Joseph Wisersky; Secretary-Treasurer, Mrs. Ethel Anderson.

Mrs. John B. Nelson, Scarsdale entertained her bridge club Sunday evening.

Mr. and Mrs. Elmo Williams and children have returned from a week's trip in Missouri, where they visited Mr. William's relatives.

Little Billy Utterbach underwent a tonsilectomy at the Des Plaines hospital, Tuesday. His small sister, Mary Jane, is suffering from a bad cold.

The Gleaner's Circle will meet Wednesday evening, Dec. 18, at the

home of Mrs. O. G. Barrett; Mrs. J. I. Best, assisting.

Wednesday, Mrs. Louis Pederson went into Chicago to attend a luncheon and bridge club and greet again her old friends.

Mr. and Mrs. John Sayers, Miss Clara Moede and Miss Marjorie Annen visited Miss Elma Towne in Chicago, Sunday.

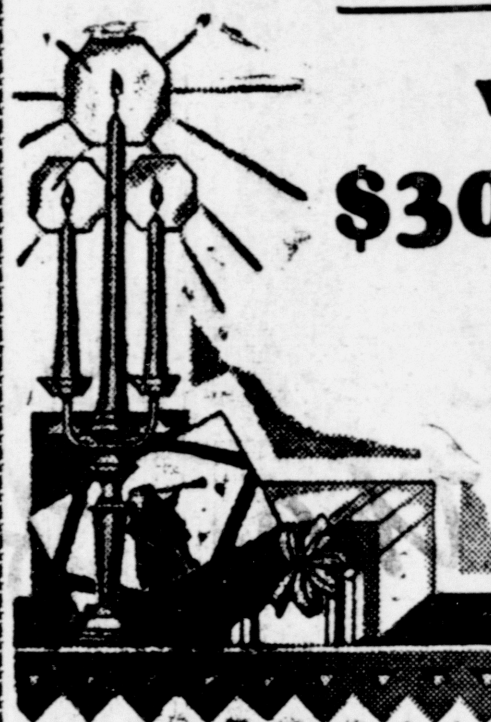

Mrs. Evert Wallenfeldt and children visited relatives in Racine, Wisconsin the first of the week.

Mr. and Mrs. Paul Incapero have moved from South Walnut to an apartment on Campbell, where they can more readily help the boys in the Sunshine Fruit Market.

IN MEMORIAM

Schwartz—In loving remembrance of our dear husband, father and grandfather, Albert Schwartz, who left us three years ago December 12. A precious one from us has gone, A voice we loved is stilled; A place is vacant in our hearts, Which never can be filled. Lonesome Wife, Children and Grandchildren.
